Mr. Harold Weisberg
Route 7
Frederick, Maryland 21701

Dear Mr. Weisberg:

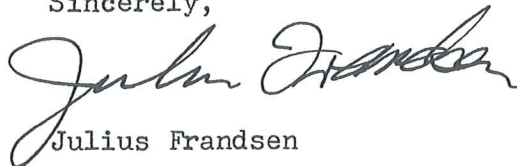

One of our failings is that we are too busy with fresh material to maintain any regular system of collecting clippings on things previously distributed. So I really don't have any way of knowing how many papers used the piece you wrote for us, which was for publication on or after November 19.

I enclose a teletype copy of the dispatch as it was transmitted over our primary wire.

As for your letter of November 23, I really am at a loss as to why we should do anything further at this time. I don't believe Mr. Smith has mentioned you in anything he has written or broadcast in a year or more.

Anyway, happy holidays.

Sincerely,

Julius Frandsen
